Re: Case: (Henry, et al. v. Brown University, et al., Case No. 1:22-cv-00125)
Claim Number: CTBU5158628-REJ

I am writing to formally appeal the rejection of my claim in the Henry, et al. v. Brown University, et al. Settlement. I respectfully request that the Court review my claim.

According to the rejection notice, my claim was denied because I allegedly did not respond to a Deficiency Notice sent in May 2025. I wish to state that I never received any Deficiency Notice by mail or electronic means. Had I received such a notice, I would have promptly responded and provided any necessary documentation.

I believe my contact information may be incorrect and might account for discrepancies in receipt of notifications about this case. I have provided my current contact information at the beginning of this letter.

As a Settlement Class Member, I have made every effort to comply with the claim requirements and deadlines. The lack of receipt of this Deficiency Notice was not within my control. I ask that my claim be reconsidered, and that I be allowed an opportunity to provide any additional information or documentation needed to validate my eligibility.

Please confirm receipt of this appeal and advise if any further action is required from me to facilitate the review of my claim.

Thank you for your time.

Sincerely,
Charity Quinonez
